

## **COVID19 Company Statement 24/3/2020**

During these exceptional times we are all currently experiencing the safety of our customers and employees is our top priority. Following the Prime Minister's announcement last night, the difficult decision has been made to close both branches of the business to all customers with immediate effect from 5.30pm on Tuesday 24<sup>th</sup> March 2020. The only exception to this is our essential Calor Gas delivery service which will remain operational from our Robertsbridge branch during normal business hours.

Over the next couple of days our staff will be working internally to where possible fulfil all outstanding customer orders and complete any service/repair work that is currently in our workshops.

We are still contactable by email ([info@culverwells.co.uk](mailto:info@culverwells.co.uk)), by landline (01580 880567) and by mobile (07720 409307).

We appreciate your help and understanding during this very challenging period. We will be constantly reviewing the situation and will issue updates as necessary. From the staff here at Culverwells, we wish all our customers, friends and families well. If there are any questions or you require any further information, please do not hesitate to contact us.

Regards,

*Richard and James Cole*
