

CURRENT VACANCIES

E.O. Culverwell Ltd are a long standing machinery dealer in the South East, due to business growth and pending retirements we have career opportunities at both of our branches:

ROBERTSBRIDGE BRANCH

Groundcare/Agricultural Technician - servicing, repair and assembly of groundcare, ATV/UTV, compact and small agricultural machinery. This role is a mix of workshop and on-site based work with a fully fitted company van provided.

Previous industry experience preferred but we would consider a related industry with transferable skills.

Manufacturer training will be provided.

Garden Machinery and Country Store Sales Assistant - working in our showroom selling garden machinery to domestic and commercial customers and assisting in the day-to-day running of the Country Store. This area of the business has great potential for growth and we are looking for an enthusiastic candidate that has strong sales and retail experience. Industry experience preferred but training can be provided for the right candidate.

TENTERDEN BRANCH

Garden Machinery Technician - servicing, repair and assembly of domestic and commercial garden machinery. Previous industry experience preferred but we would consider a candidate from a related industry with transferable skills.

Manufacturer training will be provided.

Competitive salaries, company pension scheme and employee benefits.
